PROFILE

Data Science student at the University of Franche-Comté, I am a motivated, rigorous and adaptable young professional. Hard of hearing since birth (auditory neuropathy), I have always turned this into a strength — developing exceptional resilience, communication skills, and autonomy. Deeply passionate about Japan, its language and culture, I have made learning Japanese a personal priority alongside my academic and professional journey.

WORK EXPERIENCE

Crew Member — McDonald's Dole
CDI — Équipier polyvalent
July 2025 – June 2026
Team work, customer service, speed of execution, stress management, polyvalence.
